

Activate your PointMan Plus License

Set up your PointMan Subscription Account

1. Visit the Pricing page on the PointMan website and click the Buy Now button for Plus:
<https://pointman.com/pricing/>
2. Enter the required information and click Sign Up. Then verify your email to proceed.
3. Add the “PointMan Plus Multiple License” option from the Recommended Addons.
4. Within the Order Summary, click “Apply coupon / Activation code.” Enter the code and click Apply.
5. Proceed with the checkout process and enter the required information.
Note: After entering the activation code, the price will drop to \$0, and you will not be charged.
6. After clicking “Pay & subscribe,” you will be logged into your PointMan Subscription account and your license is ready to be assigned to a device.

Activate your PointMan Plus License

1. On the Mobile Device to be used with PointMan, download the PointMan app from the Google Play Store.
Android: https://play.google.com/store/apps/details?id=com.prostarcorp.pointman&pcampaignid=web_share
2. Login with the credentials set for your PointMan Subscription account. The mobile device will recognize the available license and will claim it.
3. Your license is now active. When visiting your PointMan Subscription account after this point, it will display the details related to the device that has claimed the license.
